Creative Actors 2-Day Acting & Audition Intensive with Scott-Arthur Allen and Elizabeth Allen

Join Master Acting Coach, former Talent Manager Association President, Talent Manager Scott-Arthur Allen; and Director, Writer, Casting Director Elizabeth Allen for this 2-Day Acting & Audition Intensive.

In today's acting world, performers face tough questions like, where will I use my hard earned money to study and how do I know who's really qualified to help me reach my goals? During the Creative Actors 2-Day Intensive, you will have the opportunity to study with master coach Scott-Arthur Allen whose legendary coaching success and industry experience has spanned over three decades.

Creative Actors was founded in the mid 1970's in Los Angeles. Having trained Hollywood stars such as Heather Locklear, Tea Leoni, and Sela Ward to name only a few, the workshop became the premier spot for actors and agencies alike.

In 2002, Scott-Arthur and wife Elizabeth Allen made the decision to move from Los Angeles to Missouri. Upon arriving they reopened Creative Actors in both St. Louis and Springfield. The workshop had immediate success, even surpassing their LA achievements.

In the last eleven years, Creative Actors' students have landed majors roles in the Academy Award nominated "Winter's Bone", the Academy Award winning "The Artist", the J.J. Abrams blockbuster "Super 8", the Dove Award winning "Frontier Boys", the Academy Award nominated "Up In The Air", the star-studded "Last Vegas", and hit television shows like "24", "The Big C" and "NCIS: Los Angeles".

At present, our Actors are working in all aspects of the Industry. You can see them in national commercials, on HBO, Disney Channel, and across network television as well as [alongside megastars such as Jennifer Lawrence](#), Morgan Freeman, Kevin Kline, Michael Douglas, Robert Di Nero, and Zoe Deschanel – to name only a few.

The legacy and success of Creative Actors continues to stand the test of time. If you're ready to take the next step in your career, come join us at this Creative Actors 2-Day Intensive. We're confident that we can help you reach your goals.

This 2-Day Intensive is structured to suit both the beginning and professional actor. It is designed to introduce the acting process developed by Scott-Arthur Allen, as well as prepare you for any audition you might encounter – whether that be in the casting office or over a Skype session. The 2-Day Intensive focuses on acting as a business, honing your audition skills, breaking down a scene and character development.

2-DAY SCHEDULE:

- **Day One: Seminar & Cold Reads**

- Scott-Arthur Allen introduces his *Creative Process: A Way of Acting, A Way of Life*.
- Next you will be given a 2-Page Side with a partner. Scott-Arthur will coach each pair of actors through their scene – addressing the steps of his acting process as well as the techniques of presentation in a professional auditioning.
- Your 2-Page Side will become your filmed audition piece the following day.

- **Day Two: Self-Management & Today's Casting Office**

- A safe environment to learn the Do's & Don'ts of the Audition Process. Individual Auditions will be FILMED – you will perform the scene you received the night before.
- We will continue with a seminar led by Director, Writer, Casting Director Elizabeth Allen, where you will learn what it takes to market yourself as an actor and what to expect in today's industry audition process.

Are you ready to memorize, record, and upload your auditions to the Internet? Or show up to the casting office and perform a scene you have never read before?

- Scott-Arthur and Elizabeth will then critique your performance and audition technique – where you learn just as much from watching the auditions as you do from performing:
Are you fully concentrated and fully committed to the reality of your scene? Are you properly presenting yourself to the camera and casting director without being consciously aware of it?
- We will end the 2 days in a final Q&A.
