## Stop Acting | Create Life™

### **SELF-TAPE SUBMISSION INSTRUCTIONS**

To be considered for our program, you must submit a self-tape audition. *This is not a test.* We have provided a simple monologue to assess both your abilities as an actor and what kind of equipment you have for auditions. It's okay if you don't yet have the necessary gear for a home studio. We will teach you what tools are needed for self-tape and virtual auditions and how to build a home studio. Here are your self-tape instructions:

- Record one take of your monologue
- **Choose only one** of the monologues in this PDF (1st mono is on page 2 and 2nd mono is on page 3)
- Record a 20-30 second clip telling us about yourself (e.g. hobbies, goals, acting experience, etc.)
- Edit the clips together and send one video file to [thecreativeactors@gmail.com](mailto:thecreativeactors@gmail.com) via [WeTransfer.com](https://www.wetransfer.com)
- ***As soon as you have submitted your video through WeTransfer, email us at [thecreativeactors@gmail.com](mailto:thecreativeactors@gmail.com) so we know to look out for your incoming submission. PLEASE INCLUDE YOUR FULL NAME AND PHONE NUMBER.***

INT. ANDY'S CAR - NIGHT

Andy mindlessly drums on the steering wheel.

DAKOTA

Would you stop?

ANDY

(mimicking)

Would you stop?

Andy stops drumming.

ANDY

This is boring. Can't we at least get something at the drive thru?

DAKOTA

No! We can't risk being seen.

ANDY

Can you please explain why we're stalking Tim?

DAKOTA

You never listen. My bike was stolen yesterday. At some point while I was on the clock. And I'm almost positive it was Tim. But I don't know where he lives. So The plan is to follow him home after his shift. Then I'll get my bike back.

ANDY

Which Tim are we talking about? Tall Tim, tattooed Tim, or Timmothy?

DAKOTA

Tattooed.

ANDY

He scares me.

Silence...

MONOLOGUE 1

Andy takes an obnoxiously long sip from their empty soda. They try another angle, the straw squeaks in the plastic lid—

DAKOTA

Shut up!

ANDY

Hey! You're in my car. I'm helping you stalk someone and potentially fight them for your bike. I didn't sign up for this crap. No one told me I'd basically be joining a gang when I started working at Popeyes. I just wanted to make some extra cash for the holidays!

DAKOTA

(beat)

You're right...I'm sorry.

ANDY

It's alright.

(beat)

What color is your bike?

DAKOTA

Blue. With a red seat.

ANDY

(pointing)

Is that it over there?

The bike is still chained to the rack.

DAKOTA

Wow...I feel stupid.
